

## **TOWN OF SOUTH HADLEY HEATING & COOLING GRANTS FOR CLIMATE RESILIENCE**

The Town of South Hadley currently has a grant opportunity to assist in the purchase of heating & cooling appliances for up to \$1,500 for those that qualify based on income and equipment eligibility!

Applicants must complete the required information for the type of equipment purchased. Up to \$1,500.00 is available for income eligible households. The grant is on a reimbursement basis for costs which can include the purchase price of the qualifying item along with installations by a qualified contractor. Applicants must submit copies of receipts for the purchase and installation (if applicable) for re-imbusement.

### **Eligibility for the grant:**

- The applicant must be a current resident of South Hadley
- Maximum grant if \$1,500.00 per household
- All installed equipment must be new
- All receipts must be dated from 1/1/25 to present, no purchases prior to 2025
- TOSH reserves the right to limit, approve or deny applications
- Someone in the household must qualify under one of the income eligibility qualifications listed below

### **Income Eligibility Qualifications**

If you or a member of your household are currently receiving one of the below financial assistance programs, you may qualify for a Climate Resilience Grant:

If qualified, please select the below program you are currently enrolled in (select all that apply)

- Fuel Assistance
- SNAP
- MassHealth
- Brown Bag Food Program
- South Hadley Housing Authority Property – Current Tenant (Copy of lease agreement required)
- Owner/Renter Affordable Housing Unit (Copy of deed/lease agreement required)

### **Eligible Equipment & Cost Re-Imbursement**

- Small Room Fans
- Large Room Fans
- Heat Pump Freestanding Air Conditioning Units
- Window Air Conditioning Units
- Thermal Window Shades
- Air-Source Heat Pumps

**Please mail the completed form and necessary receipts to:**
